

Multi-Purpose Hard Surface Cleaner 5 Litre

READYFIX PRODUCT CODE: Z105-029

A concentrated, alkaline multi-purpose liquid cleaner formulated to cut through dirt and grease on suitable hard surfaces. Controlled foaming makes it suitable for manual mopping and machine floor cleaning.

- Use neat for small, heavily soiled areas.
- Dilute for floors, walls and other larger areas.
- Controlled foaming supports easier rinsing.

Technical specification

Property	Specification	Property	Specification
Readyfix code	Z105-029	Product type	Concentrated hard surface cleaner
Pack size	5 litres	Appearance	Red thin liquid
Chemical character	Alkaline	Foaming	Controlled foam
General dilution	1:50 with water	Maximum dilution	Up to 1:100
Application	Mop, cloth or floor machine	Use neat	Small areas / heavy soiling
Shelf life	12 months	Unit of supply	1 x 5 litre container

Directions for use

For small areas, apply neat to the surface or to a cloth, then wipe clean. For larger areas such as floors and walls, dilute with clean water. A general dilution of 1 part cleaner to 50 parts water is recommended; lighter cleaning may allow dilution up to 1:100. Apply by mop, cloth or suitable floor-cleaning machine.

Surface suitability and precautions

This product is alkaline. Avoid contact with clothing, carpets, upholstery and other unsuitable or sensitive surfaces. Test on an inconspicuous area before use. Wear suitable protective equipment as directed by the Safety Data Sheet. Do not mix with other cleaning chemicals. Store upright in the original closed container.

Important: always read the product label and Safety Data Sheet before use. Safety Data Sheets are available on request. Rinse food-contact surfaces thoroughly with clean potable water after cleaning.

Product image is illustrative. Container and label details may vary. Dilution should be adjusted to the level of soiling, surface type and instructions on the product supplied. The information above reflects the specification at the date of issue.
